IN THE NEWS

“Tourism is a very important Maryland industry, and it provides significant economic impact for our state,” said Assistant Secretary for Commerce Tom Riford. “I am honored to help present the 2019 Maryland Tourism Awards, which recognize the outstanding accomplishments of our tourism partners who support the collective mission of increasing visitor spending in Maryland.”

The awards were presented in four categories. Caroline, Kent, Queen Anne’s and Talbot Counties won the Market Expansion Award for their joint project, “Maryland’s Tastiest Catch.” The Town of Leonardtown, The Friends of St. Clement’s Island & Piney Point Museums, and Visit St. Mary’s MD were given the Maximizing Opportunities Award for their work in expanding the popular Potomac Jazz & Seafood Festival. The Garrett County Chamber of Commerce won the Transactionable Outcomes Award for their successful “3-2-1 Lodging & Activity Program.” And the Leveraging Partnerships Award went to the 18 Eastern Shore towns and their partners that produced the “Eat.Drink.Buy Art Campaign.” Congratulations to all of the winners and
nominees.

National Underground Railroad Network to Freedom Accepting Site Applications

In September, OTD launched its marketing initiative touting Maryland as the Most Powerful Underground Railroad Storytelling Destination in the World. One of the measurables to support this statement is that Maryland has more National Underground Railroad Network to Freedom sites than any other state. A program of the National Park Service, the Network to Freedom coordinates preservation and education efforts nationwide and integrates local historical places, museums, and interpretive programs. Historic sites must have a verifiable connection to the Underground Railroad; must have educational and interpretive programs that pertain to the Underground Railroad; and facilities must be either research, educational or interpretive centers. The next round of applications for the Network to Freedom are due January 15, 2020. If you are interested in more information about applying to the program, please contact Heather Ersts at hersts@visitmaryland.org or 410-767-6974.

Rich Gilbert Receives Award from OMCA

OTD's Rich Gilbert, Travel Trade Manager, was recently awarded the 2019 Volunteer Award of Distinction by the Ontario Motorcoach Association (OMCA) at their annual Marketplace. "I was honored and appreciative to receive special recognition at the Ontario Motorcoach Association Marketplace," said Gilbert. "Receiving recognition for providing a few hours of mentoring to new attendees and supporting our industry associations over the years is very humbling."

OTD’s Matthew Scales Leads Maryland PR Delegation to Toronto

As part of our continued efforts to expand Maryland's
international tourism footprint, OTD has been running a full court press to increase brand awareness in the lucrative Canadian market. As part of these efforts, Matthew Scales, Public Relations Specialist, OTD, helped organize a Canadian marketing mission to Toronto to meet with numerous publishers and writers. Scales was joined by representatives of Visit Baltimore and Visit Annapolis & Anne Arundel County. Special attention was paid to promoting Maryland’s Harriet Tubman and Underground Railroad tourism assets and their connection to Canada, with Canadian press representatives taking in a screening of the film “Harriet.”

**CRUSA German Media Fam Visits Baltimore and Annapolis**

Preparing for 2020’s “Year of the Woman,” OTD and our DMO partners joined Capital Region USA (CRUSA) in welcoming a “Remarkable Women in the Capital Region” fam tour for German media. The fam was a natural synergy of CRUSA and Maryland’s continued efforts to promote Maryland in Germany, a prime target market, and promotions for the upcoming year-long celebration of women’s history and future.
