EXECUTIVE DIRECTOR’S REPORT: Liz Fitzsimmons, Managing Director, Office of Tourism and Film

Tom Riford thanked everyone for attending the meeting and remarked that the MTDB has long served as a productive advocate, advising, governing and promoting tourism efforts in Maryland. Times have been very challenging for Commerce and the tourism industry however we have shown the world how to persevere, overcome and adapt. We are moving forward and today we will share some pretty amazing work going on here.

Liz Fitzsimmons, OTD Managing Director, began the meeting speaking about how important it is to have a clear vision and mission.

- **Vision**: Maryland leads the way as one of America’s most exciting, diverse and welcoming destinations, creating memories and experiences for visitors worldwide to enjoy.
- **Mission**: We stimulate and drive Maryland’s thriving tourism economy, with a primary goal of creating a great place for all Marylanders to live, work and play.

The tourism industry is very resilient, jobs are coming back and she is optimistic. The Maryland Department of Commerce launched the **MasksOnMaryland** campaign to encourage residents as well as visitors to wear masks properly, practice social distancing, and adhere to Centers of Disease Control hygiene practices in order to fight a surge of COVID-19 cases. The campaign, which features the tagline “**Only You Can Keep Maryland Open for Business**,” includes a series of announcements being aired throughout the state on local radio stations, as well as social media outreach. PSA radio spots were recorded by Dr. Liz Delasobera, MedStar, Naijha Wright, Land of Kush, Mark Andrews, Baltimore Ravens and more. Costs were reimbursed by Cares Act funding. Hashtags #MasksOnMaryland; #MDinFocus; #PhysicalDistancing.

Governor Larry Hogan proclaimed September as **International Underground Railroad Month** for the second year in a row. This is a great campaign with lots of support from DMOs and tourism directors. Social media coverage has also been big. We thank Cassandra Vanhooser and the OTD team for their work with the ceremony celebrating the **2nd Annual International Underground Railroad Month** and the unveiling of new outdoor exhibits at the Frederick Douglass Park on the Tuckahoe.

OTD launched our new website embracing the colors red, black and gold in our Maryland flag. We are very excited about our new look.
